

Troop 32 – Committee Meeting – May 7, 2013

Attending: G. Varnerin (recorder/chair), J. Stiles, A. Hayeck, F. Hayeck, L. Celeste, and S. Tucker.

Next Meeting

The Next Committee Meeting is scheduled for Tuesday, June 4 2013, 7:30pm at Wilson Memorial Church.

Advancement

Brian Beckert – **Life**

4/10/2013 – At a separate BoR held a regular troop meeting, Jeffrey Isaacs was awarded the rank of **First Class**.

Eagle Projects

Tim Carroll – Provided a summary of his new project proposal. He plans to implement improvements to the outdoor area around the Watchung Arts Center. The improvements may include new bench/table, landscaping, and refinishing existing benches. Dr. Hayeck will act as Tim's coach, and will work with him on the proposal write up.

Treasurer's Report – Lucina

There is \$9,425 balance in checking. T. Rowe account balance is \$17433. Friends of Scouting – A council rep will make an appeal to parents at the next troop meeting. Our expected troop contribution is around \$1800. We agreed to settle on a final amount at the next meeting.

General Business

Summer Camp

Summer camp has been moved to the week of June 30 to July 6 for Troop 32 at Camp Somers (Mt. Allamuchy). We will combine with Troop 33. The cost is \$375 per scout. There is no charge for adults (volunteers needed). Checks should be made out to "Troop 32".

Leadership

Jeffrey Isaacs aspires to be an Eagle. He will be 18 years old in August 2014, and is currently a First Class scout. This will require 16 months in leadership positions. His current position was effective in April, 2013. It is (just) technically possible for him to achieve his goal.

Calendar

Town Picnic Recruiting/Demonstration – May 18. The troop will setup a rope bridge for people to see and traverse. Scouts are needed to help out. Class B uniforms will be worn by scouts. The Cub Scouts (Curt Weber) will setup a recruiting table as well.

Memorial Day Flag Ceremony – May 27 at Texier House Memorial – 9:15AM.

Beckert 5K Run Water Station – June 2 – 9:30AM.

Scout Day at Brook Hill Swim Club – This will be held on the afternoon/evening of July 16. They will need an approximate count 1-2 weeks in advance. If the numbers (especially non-scouts, i.e., families) get too large, the troop may be asked to help out with supplies or a small fee. Brook Hill (Jim Clemens) has agreed we can use their facility to administer swim tests for scouts who will participate in canoe trips.

Eagle Status

Walter Pennett – He received final approval, and has begun the project research.
