We discussed several options. It seems likely this will be combined with a day long Civil War Encampment. There will be opportunities for scout service hours (help with setup and/or cleanup), skills demonstration (tent/campsite setup), and/or for fundraising (sell food or otherwise, solicit donations). Sue will discuss ideas with Steve Pote. Continue discussion at the next meeting.

We would like to work with Roy Jr. of Iona Hill Farms as supplier, if he is interested. Sue will explore this with him. We should make a decision at the next meeting.
