## General Business

### ***Storage Shed Update***

Still need a meeting with the town engineer. No work done because of snow.

### **Scoutmaster's Report (Richard P.)**

Josh had first two meetings as SPL. Finalizing March and planning April. Would like to do shooting program. Will have to look at Exempt Hall because guns can't be in Wilson or Bayberry. Go to Allamuchy on last weekend of April to range. Will address appropriate texting and internet safety (two 15-minute presentations during meetings).

### **Philmont**

Not much training has been done yet. It was agreed to fund the wilderness first aid and CPR training for leaders (Ray King and Jay Stiles) at \$60/each.

### **Watchung/Warren Green Team**

This event coincides with Bark for Life so attendance to be determined. There was a discussion to make carbon dioxide monitors available for purchase but the units are costly and it may be easier to provide coupons for a local store.

### **Calendar**
